

QUALITY POLICY

POLICY STATEMENT

HDSA Group (Hope Diving Services Australia Pty Ltd) is dedicated to exceeding client expectations through the effective implementation of our Quality Management System (QMS). We believe that quality is not just a process but a culture that drives our success. Our commitment to quality is driven by the following principles:

- Complying with statutory obligations, standards, specifications and codes of practice relevant to quality management
- Maintaining, monitoring, reviewing, auditing and continually improving the Quality Management System compliant with certification requirements of AS/NZS ISO 9001
- Providing sufficient and suitable resources to implement and maintain the Quality Management System
- Engaging suitably qualified, skilled, and experienced people
- Educating and training in order to continually improve the skills of our people, awareness and knowledge of quality issues and practices
- Identifying, reporting, investigating and resolving all non-conformances and taking action to prevent recurrence
- Establishing, reviewing and communicating performance measures and taking action to improve outcomes
- Monitoring and evaluating the quality performance of consultants, subcontractors and suppliers and implementing effective communication with them on quality and compliance issues.

HDSA Group is committed to delivering high-quality projects through a shared dedication to excellence, ensuring that every aspect of its work meets rigorous quality standards and contributes to successful outcomes.
